*“Elegant nose, understated, with spicy notes of clove, cinnamon and fresh toast. Then the wine emerges in the glass, layered, vigorous, with harmonious flinty, salty, citrusy and almondy character. It is profound, savoury-sweet in that way really good Chardonnay can be. An impressive wine with a tremendous energy.”*

The previous vintage of the same wine was also named one of the **Top 10 Chardonnays** in the world in the under £20 category by renowned English media The Drinks Business.

*“Restrained notes of citrus and green apple on the nose. Refreshing acidity on the palate with a hint of vanilla. Good body and length. Elegant.”*

This is not the first time this media has celebrated the Arboleda Chardonnay. Last year the 2013 vintage earned the **Master Medal** in The Drinks Business Global Chardonnay Masters, one of the competition’s most important awards.

These honours reflect the consistency of the quality, style, and identity of this Chardonnay from the Aconcagua Costa Valley.

“As a team, we are thrilled to receive such an important recognition. The character of the Chardonnay represents with real purity the terroir where it comes from, the Aconcagua Costa Valley.”
