ARBOLEDA BRISA RENEWS SCORE

Reaffirming the impulse of Viña Arboleda, Patricio Tapia cataloged **Arboleda Brisa** with **94 points** in the distinguished 2017 vintage, planted in Las Vertientes where the purest version of the Aconcagua Valley is discovered.

The cradle of our vineyards extends from the Andes mountains to the Pacific Ocean coast. This very distinctive factor of the valley allows our vineyards to be surrounded by a cold sea breeze, helping the grapes to ripen slowly and obtain the elegance and freshness that distinguishes the Viña Arboleda wines.
